Drop off/pick up rule

Parent must escort camper to beach to sign in if late drop off.
A \$10 fee will be charged after a 10 min grace period for pick up.

VISITING: To get the most out of our campers we recommend parents not hanging around. Some kids experience performance anxiety and are not as willing to try when parents are around from our experience. It is also disruptive & confuses our staff when your kids are with you but should stay with their group. Thank you!
